Saturday, August 8th, 2026

14998 Glazier Ave
Apple Valley, MN

Join us from 6-10 PM

Join us at the Striker's Ball, a yearly party for the Mechanics, Cleaners and Custodians of Northwest Airlines who stood together during the labor lockout in 2005. This event is also open to any of our friends, family or co-workers who would like to join us.*

This event will be a cash bar but some light snacks/appetizers will be provided. We ask for donations from attendees to keep the Ball rolling. If you like having a yearly party to reconnect with old friends, please donate.

For more info or to be added to our mail list contact: honoraball@gmail.com

*As always, if you crossed your own picket line you are not invited.
